

Repair Service in all over British Columbia and Washington.

# Pre-Purchase Inspection

---

## OUR SERVICE

### Pre-Purchase Inspection

It is always important to know what you are buying before making any commitment, whether you are buying a new or used truck, don't risk your hard-earned money by choosing the wrong truck.

Call us and we will perform a pre-purchase check on-site or at our shop, this will save you money in the long run. Inspect the vehicle by taking a test driver mostly all reputable sellers

allow to take one.

# Contact Us Today

We have a team of professional experts who provide you with a high level of service and expertise. We are not just a service provider; we are your truck-caring partner in your business, and we work hard to ensure that you can rely on us for your truck-related services.
