EXPRESS ENTRY CANADA

<https://pelicanmigration.com/express-entry-canada/>

Right since our advent, Pelican Migration Consultants have been minimizing the challenges associated with migration, particularly the confusion and frustration linked to the visa application process. As CICC consultants, we are committed to the success of our clients and the truth in an industry laden with distortion.

Our immigration services are specifically tailored to assist you in migrating to Australia, Canada, and New Zealand. Being hassle-free, we help you begin your new life through means of a visa application and settlement process to the country you wish to migrate to.

Express Entry isn't an immigration program like most people think it is. Instead, it is an online point-based system created by the Immigration Refugees and Citizenship Canada (IRCC) to manage immigration applications intake.

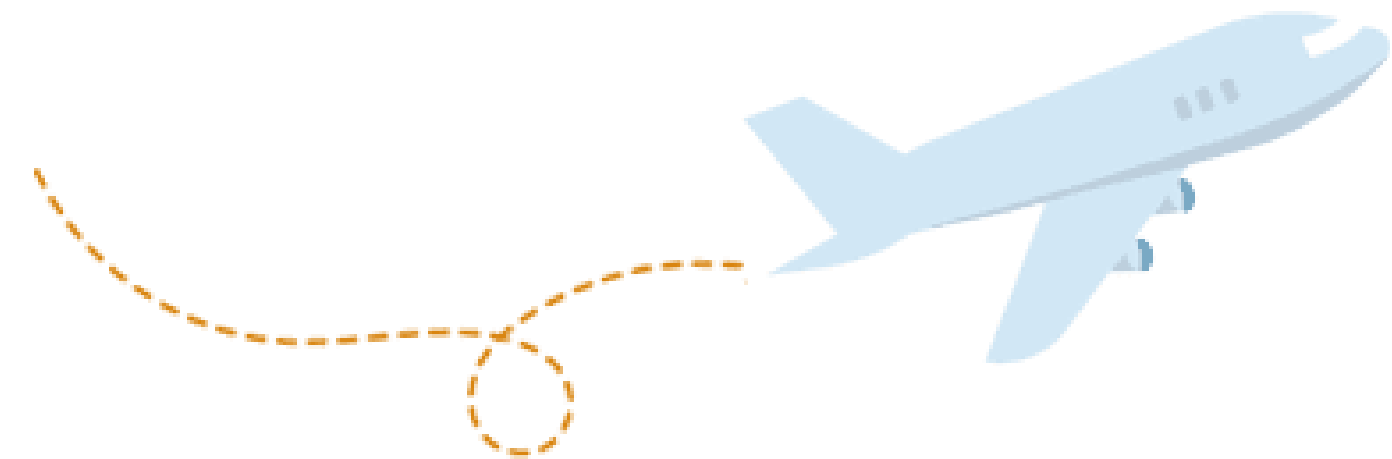

Within the Express Entry system, the applicants with the highest points receive an Invitation to Apply (ITA) for permanent residence in Canada. There are three significant immigration programs under Express Entry—The Federal Skilled Trades Program (FSTP), The Federal Skilled Worker Program (FSWP), and The Canadian Experience Class (CEC).
