DIMENSIONS

Floral Motifs Design

The Sukhatman wooden temple showcases intricate floral motifs that give a feel of nature to your sacred space. The front panels and pillars boast beautifully designed floral patterns adding a touch of tradition and tranquility to the wooden temple. These motifs not only bring in decorative charm but spiritual symbolism for purity and divine beauty. Every floral carving is meticulously crafted with attention to detail. The delicate floral patterns enhance the overall aesthetic of the wooden temple. These motifs not only bring in decorative charm but bring in decorative charm but spiritual symbolism for purity and divine beauty.

Rich Teak and Gold Design

The Sukhatman large wooden temple is beautifully crafted with a rich teak finish that is complemented by gold accents. These gold details are carefully placed on the front panels and pillars creating a striking contrast that enhances the temple's overall appearance. The design is simple yet elegant making it a perfect addition to any home. The gold accents add a touch of luxury to the temple while the teak finish brings warmth and richness to the space. This design ensures that the wooden temple stands out as a focal point in your pooja room creating a sacred and serene environment.

Decorative Swan Carvings

The Sukhatman Wooden Temple features elegant carvings in the shape of swans at its base bringing an artistic flair to your spiritual place. These swan accents are carefully designed and placed to enhance the temple's overall look representing purity and elegance. The intricate details of the swan motifs showcase traditional craftsmanship that adds to the temple's visual charm. These decorative touches not only serve as eye-catching centrepieces but also infuse your worship space with a sense of serenity and balance making your pooja area even more sacred.

Premium Teakwood Sourcing

At DZYN Furnitures, our commitment to quality begins with sourcing only the finest premium teakwood for our creations. With meticulous care, we select teakwood of exceptional grade known for its durability, strength, and timeless beauty. Each piece is handpicked, reflecting the natural elegance of teak and its ability to enrich our craftsmanship. Our dedication to sourcing premium teakwood ensures that every creation carries the legacy of authenticity and excellence, elevating both aesthetics and functionality for our valued customers.

Wooden Temple with Drawers

There are also two storage drawers attached to this Sukhatman wooden temple that act as a compact way of putting your pooja essentials in place. These drawers have ample space to accommodate items like incense sticks, prayer beads and other accessories helping you maintain a neat and orderly pooja area. With their design, the drawers allow easy access to all your ritual necessities ensuring everything is within reach during your ceremonies. This functionality enhances the temple's overall appeal making it both a stunning addition to your decor and a practical one. The integrated drawers assist you in creating an organized atmosphere in your pooja room.

Lattice Side Panels

The Sukhatman Wooden Temple made of wood showcases side panels with a lattice pattern that brings a unique touch to its design. These panels allow light to filter through, casting beautiful shadows in your prayer space. The lattice work adds a touch to the temple while also elevating its visual appeal. These side panels serve purposes by allowing air circulation and natural light to enter the wooden temple. This carefully considered design element creates an atmosphere of sacred setting making the temple both a stunning and practical addition to your home.
