Joint Genesis Official Store

Joint Genesis by BioDynamix is a premium joint health supplement crafted to relieve discomfort and improve mobility.

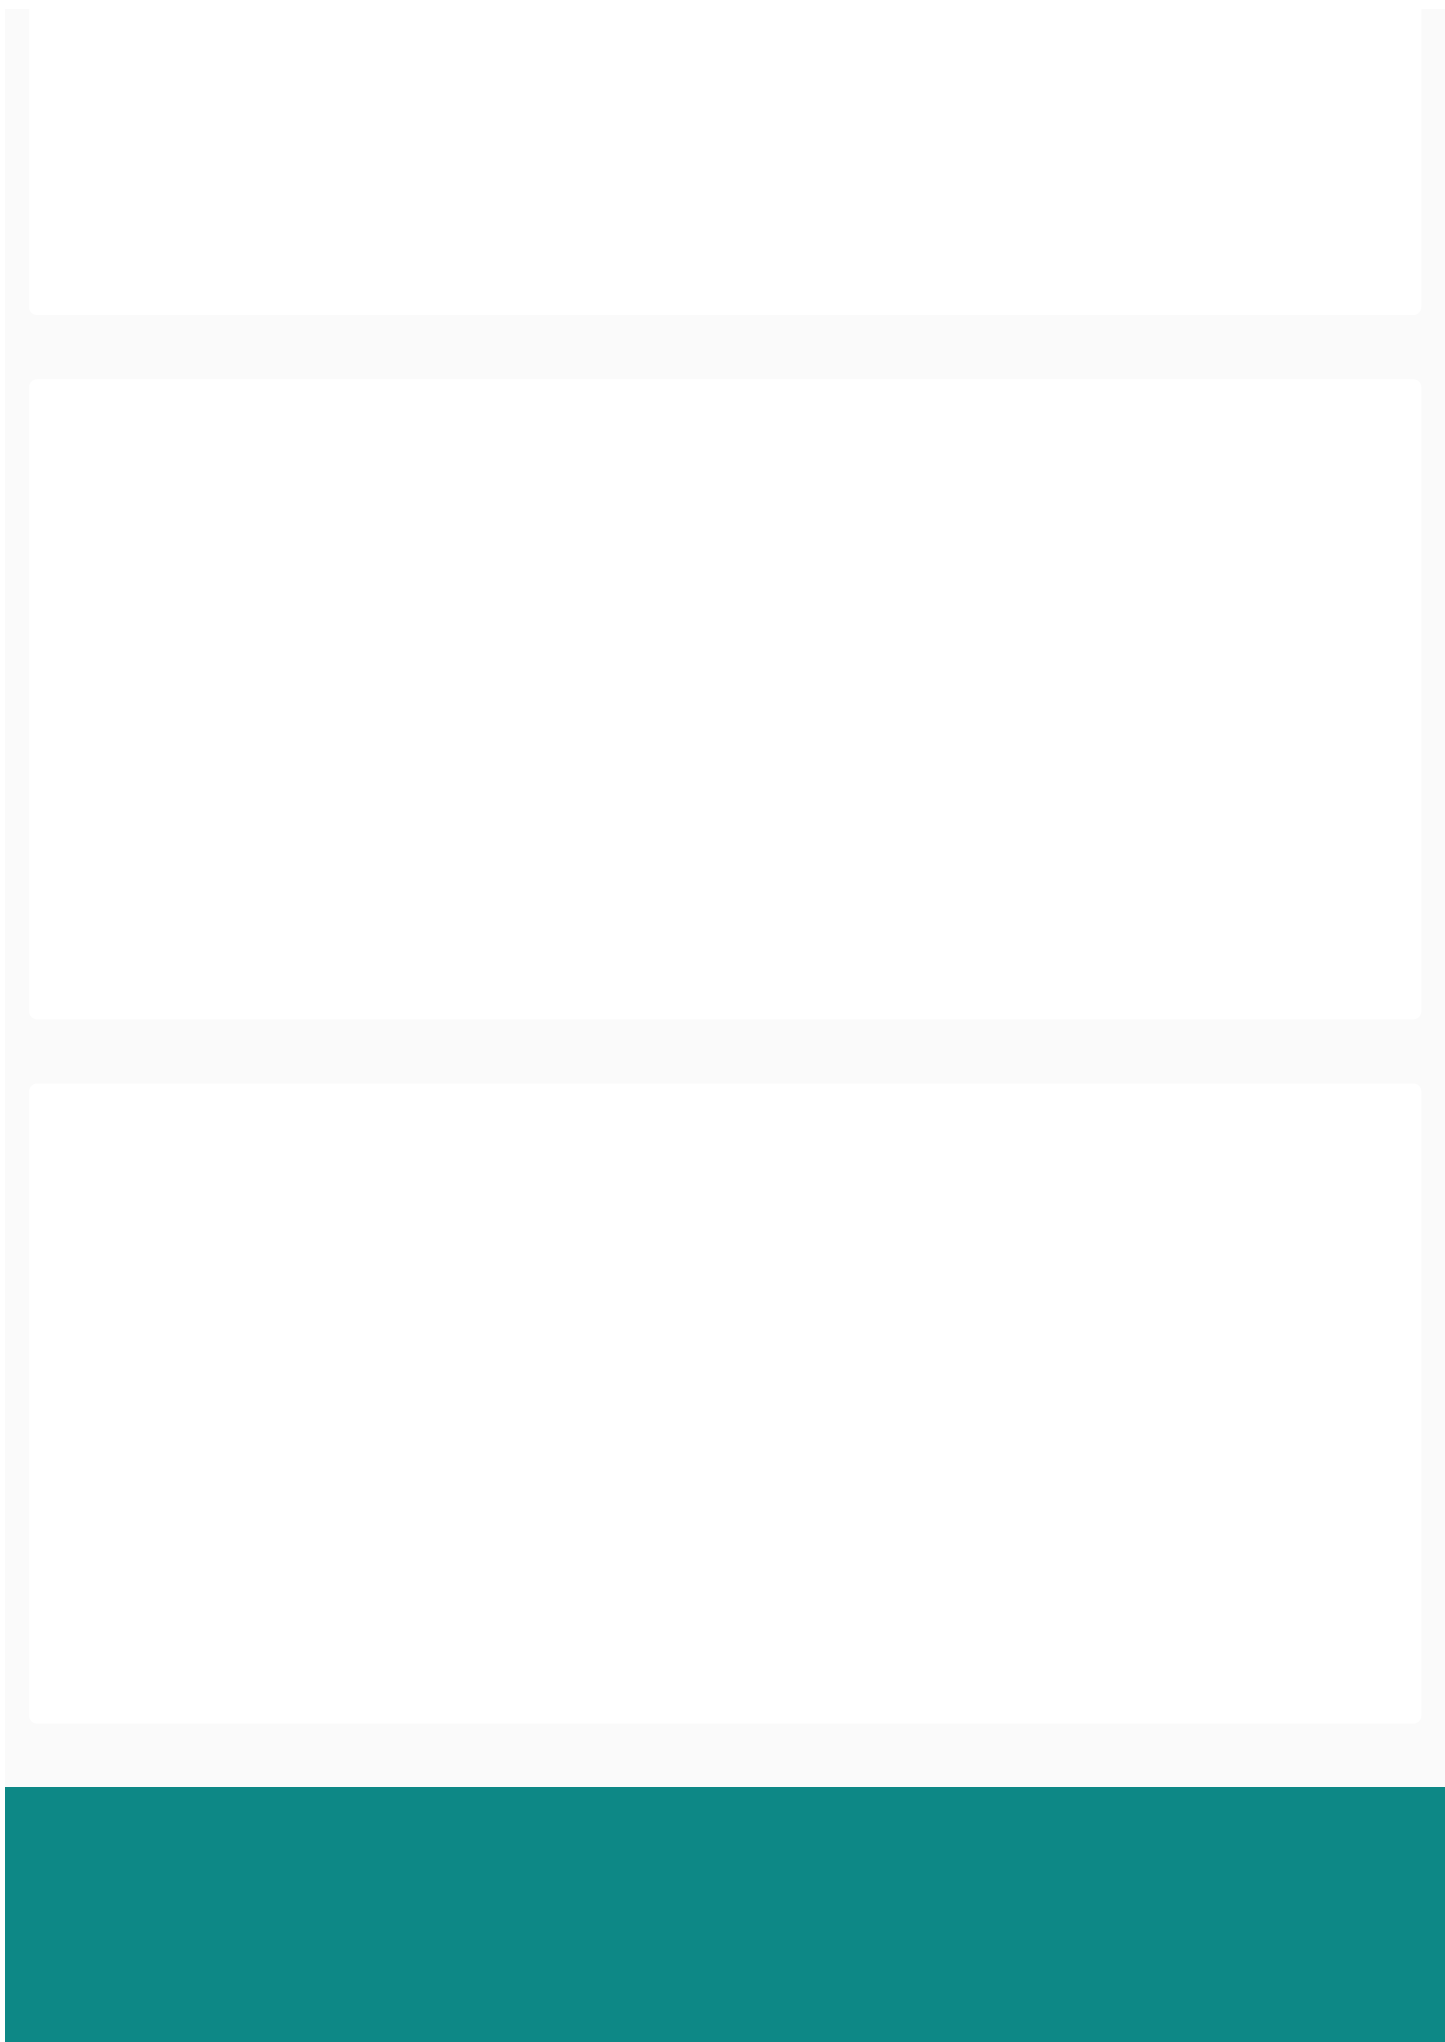

Made in the USA and GMP-certified, it blends natural ingredients like Mobilee, Pycnogenol, Ginger Root, Boswellia Serrata, and BioPerine, targeting the root causes of joint issues.

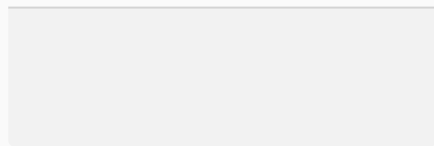

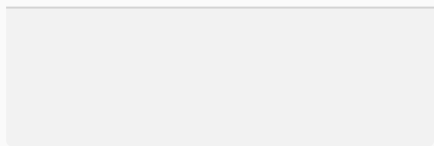

These powerful components work synergistically to restore synovial fluid, reduce inflammation, and nourish joints,

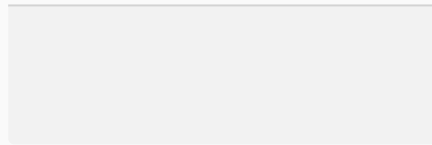

enhancing flexibility and comfort. Ideal for individuals aged 50 to 70, **Joint Genesis** provides a natural, scientifically-backed solution for age-related joint pain and comes with a 180-day money-back guarantee.
