Set a Budget Before You Play

Fixed Amount

Decide on a fixed amount you're comfortable spending.

Entertainment

Treat it as an entertainment expense, not an investment.

Track Spending

Track your spending to stay within your budget.

It's important to know your limits and stay in control when playing any game.

Know Your Limits and Stick To Them

1

Time Limits

Establish time limits for your gaming sessions.

2

Deposit Limits

Set deposit limits and self-exclusion options using Laser 247's features.

3

Regular Breaks

Take regular breaks to avoid impulsive decisions.

Don't Chase Losses

Accept Losses

Accept losses as part of the game.

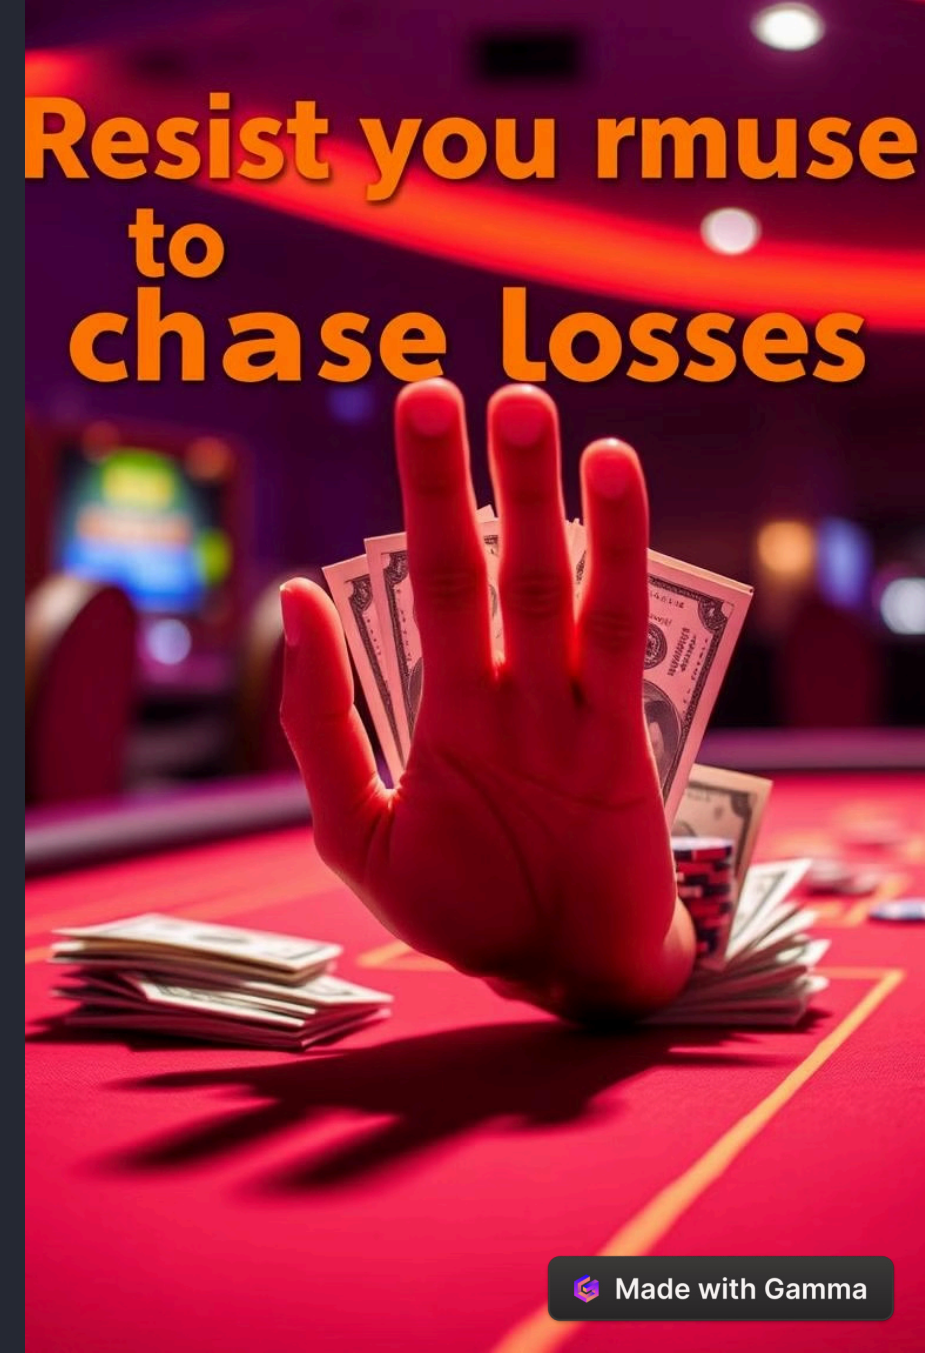

Avoid Urge

Avoid the urge to win back money immediately.

Recognize Streaks

Recognize when you're on a losing streak.

Resist your urge to chase losses

Understand the Odds

Familiarize Yourself

Know the odds of each
Laser 247 game.

Entertainment

Gambling should be
entertainment.

House Edge

Understand the house
edge in casino games.

Avoid Gambling When Stressed or Upset

Cope

Don't gamble to cope with emotions.

Clear-Headed

Make clear-headed decisions.

Stress

Stress impairs judgement.

Alternatives

Seek healthy stress relief.

Don't Gamble Under the Influence
