

Lost Mary BM6000 – A Powerful Vape That Lasts

If you're someone who vapes regularly and wants something reliable, easy to use, and full of flavour, the **Lost Mary BM6000** might just be the perfect choice. Designed by Elf Bar, this disposable vape offers **up to 6000 puffs**, making it ideal for those who don't want the hassle of constantly replacing their device.

What Makes It Different?

First off, unlike most disposable vapes, this one comes with a **rechargeable 650mAh battery**. That means you can charge it up and keep using it until the liquid runs out,

giving you better value and less waste. It also has a **detachable battery**, which you can recycle once you're done—a nice eco-friendly touch that a lot of disposables don't offer.

The **draw-activated feature** makes it super easy to use. Just inhale and go—no buttons, no settings, no confusion. It's great for both beginners and experienced vapers who want something straightforward and dependable.

Big on Flavour

One of the biggest selling points of the Lost Mary BM6000 is its **flavour performance**. Thanks to the **upgraded mesh coil**, every puff is smooth and rich. It uses **nicotine salt e-liquid**, which gives you a satisfying hit without the harshness. Whether you like fruity, minty, or classic tobacco flavours, this vape handles them all really well.

It also comes with a **2ml + 10ml refill tank**, giving you plenty of juice to enjoy without having to top up or swap devices frequently. And yes, it's fully **TPD compliant**, so you know it's safe and legal in the UK.

Delivery Perks

Shopping for the [Lost Mary BM6000](#) online? You're in luck. You can grab **3 for £30**, and if your order is over £30, you'll get **free UK delivery**. There are several delivery options too, including **Royal Mail Tracked 48**, **Tracked 24**, and **Next Day Guaranteed**. If you're outside the UK, **International Tracked shipping** is also available.

Final Thoughts

In short, the [Lost Mary BM6000](#) is a smart pick if you want a vape that delivers on both flavour and performance. It's easy to use, lasts longer than most disposables, and offers great value for money. Whether you're just starting out or you've been vaping for years, this is one device worth trying.
