

Discover the IVG Vaping Range at Vapehub – Quality, Flavour & Simplicity in Every Puff

Looking for a vaping brand that delivers both flavour and reliability? At **Vapehub**, we're proud to offer the complete range of **IVG Vapes**, a trusted name in the UK vaping scene. Whether you're just starting your vaping journey or you're a seasoned user, IVG has something to suit your style and needs.

Shortfill E-Liquids – Customise Your Experience

IVG's **Shortfill E-Liquids** are perfect for those who like more control over their vape. These nicotine-free bottles come with space to add your own nic shots, giving you full freedom over nicotine strength. Available in a variety of flavours—from juicy fruits to sweet desserts and refreshing menthols—[IVG](#) Shortfills are ideal for sub-ohm vapers who enjoy large clouds and rich, bold taste.

At Vapehub, we stock all the top IVG Shortfill flavours so you can easily mix, match, and find your favourite.

Nic Salts – Smooth Nicotine Delivery

If you're after a more intense nicotine hit but want to avoid a harsh throat feel, **IVG Nic Salts** are the answer. These e-liquids provide quick nicotine absorption with a smooth draw, making them ideal for ex-smokers and regular vapers alike. They're best used in lower-powered devices like pod systems, and they come in a range of refreshing flavours to suit all tastes.

You'll find [IVG](#) Nic Salts at Vapehub in top-selling flavours, ready to offer a satisfying vape from the first puff to the last.

Disposable Vapes – No Mess, Just Convenience

For hassle-free vaping on the go, IVG's **Disposable Vapes** are a great pick. No charging, no refilling—just open and enjoy. Vapehub carries all the popular options:

- **IVG Bar Plus** – With a longer battery life and more puffs

- **Diamond Bar** – Sleek design with premium flavour delivery
- **Crystal Bar** – Advanced mesh coil tech for smoother, more consistent vapour (up to 600 puffs)

Disposables are perfect for nights out, travelling, or those new to vaping who want to keep it simple.

Why Vapehub Recommends IVG

At [Vapehub](#), we choose to offer IVG because it's a brand that truly delivers—great taste, reliable quality, and options for every vaping preference. Whether you're customising your vape with shortfills, looking for a smooth nic salt, or want the simplicity of a disposable, IVG gives you everything you need.
