

Shri Ram Janmabhoomi | tourist attractions in ayodhya |  
ayodhya famous place

**Top Tourist Places in Ayodhya** - Visit Shri Ram Janmabhoomi, a holy site rich in history and devotion. Explore nearby attractions, travel tips and more with Chikoo Cabs' detailed travel guide. Perfect for spiritual seekers and culture lovers!

The most revered and renowned site in Ayodhya is probably the **Shri Ram Janmabhoomi** Temple, which marks the birthplace of Lord Ram. Written forever in the memory books because of its majesty and sacred air, millions troop into the temple annually. Seeing the Ram Mandir goes beyond being a religious exercise, as one gets a chance to witness history unfolding before one's eyes.

## Hanuman Garhi: One of the largest tourist attractions in Ayodhya

**Lord Hanuman Garhi Temple** is also one of those favorite pilgrimage spots in Ayodhya for Lord Hanuman. It sits atop a hill requiring 76 steps to be climbed to have a birds' eye-view of the city. The devotees consider Lord Hanuman as a guardian of Ayodhya, so no pilgrim can afford to miss this temple.

## Kanak Bhawan: Palace of Sita-Ram

Situated near Hanuman Garhi, Kanak Bhawan is beautiful enough to almost be considered a palace. It is believed that Queen Kaikeyi gifted it to Goddess Sita upon her marriage to Lord Ram. With intricate carvings and gold-plated images of Ram-Sita, Kanak Bhawan is thus one of the pleasant places to visit in Ayodhya.

## Saryu River Ghats: Peace Along the Holy Waters

The holy Saryu River, indeed, is not only another place of religious significance but also a soothing site for contemplation and prayer. Evening aartis take place at Naya Ghat and Ram Ki Paidi, drawing a good number of devotees and the locals. These ghats are the quietest Ayodhya tourist spots that provide a spiritual experience soothing for the mind and soul.

Treta Ke Thakur is a little-known tourist spot but major in Ayodhya. This is believed to have been the place where the Ashwamedha Yagya was conducted by Lord Ram. The idols made of black stone are said to be ancient and depict Ram, Lakshman, Sita, Bharat, and Shatrughan - all carved from a single slab of black stone. It remains a secret for connoisseurs of history and worshippers.

Nageshwarnath Temple is one which occupies pride of place amongst all the tourist places in Ayodhya. This temple was founded by Kush, the son of Lord Ram, according to local folklore. This is indeed a blessed temple of Lord Shiva that comes alive as the people celebrate Shivratri.

### Other Attractions

**Ram Katha Park:** A cultural auditorium where devotional play and music are staged.

**Tulsi Smarak Bhawan:** Shrine of poet Tulsidas, who wrote the Ramcharitmanas.

**Mani Parbat and Sugriv Parbat:** Small hillocks associated with the Ramayana that overlook the city and are an exciting place to visit in Ayodhya.

### Conclusion

Ayodhya is not a city, but a history of welling spirit, divinity, and peace. No matter if you would like to go in search of blessings at any of the renowned sites in Ayodhya like the Ram Mandir or would like to sit quietly for some time by the Saryu River, the whole holy city has a tale to tell. From innumerable [Ayodhya tourist attractions](#) to visit, a trip here will surely satiate your spirit and be etched in your memory forever.
